## 01

### THE SUCCESS CODE - THE 5 HABITS THAT COULD CHANGE YOUR LIFE

*Success - that's what we all want. And there are 5 habits that could help you achieve it. Join Rob B as he powers through the things he's tried and tested to improve his productivity.*

## 02

### WE'RE KEEPING THIS SESSION UNDER WRAPS FOR NOW

*All will be revealed very soon.*

## 03

### THE MAGIC OF MORTGAGES - HOW TO SUPERCHARGE YOUR PORTFOLIO

*Mortgages: They can be a challenge for investors, but they also represent the secret to phenomenal long-term returns. Rob D will be delving into some geeky history – as well as examples from his own portfolio – to show how investors can maximise the benefits of leverage while steering clear of the risks.*

## 04

### FINANCE AND CREATIVITY - A MATCH MADE IN HEAVEN?

*There are straightforward mortgages, and then there are mortgages which need a good deal of financial wizardry to get the deal done. Join our special guest as they talk us through some real examples of what can be (and has been) done to seal the deal.*
